WHEREAS, Developer has caused or will cause to be incorporated under the laws of the State of Arkansas the Quailridge Property Owners Association, Inc. (hereafter referred to as the "QRPOA"), an Arkansas non-profit corporation, for the purpose of performing the above described functions and those that may hereafter be set forth.

NOW THEREFORE, the Developer hereby adopts and imposes upon the property the CCR stated herein and declares that the stated covenants shall apply to all of the property of the Quailridge Subdivision as covenants running with the land:

1. SCOPE OF APPLICATION.

These covenants shall apply in their entirety to the Quailridge Subdivision as platted and recorded as above referenced.

2. LAND USE AND BUILDING TYPES.

A. No lot shall be used except for residential purposes, except those tracts of land specifically designated as "common areas". No platted lot may be split or subdivided without the prior written approval of the Quail Ridge Architectural Control Committee (hereafter referred to as the QRACC).. Except for the business of the Developer and furtherance of its sales program,

the practice of any profession or the carrying on of any business or commercial activity is prohibited within the property. However, this restriction shall not be deemed to prohibit a resident or owner from engaging in personal business or professional pursuits in a dwelling provided that: (1) the uses are incidental to the use of the dwelling as a residence; (2) the uses conform to all applicable governmental ordinances; (3) there is no external evidence of the uses; (4) the uses do not entail visits to the lot by employees or members of the public; and, (5) the uses do not interfere with residents' use and enjoyment of neighboring lots.

B. No building shall be erected, altered, placed, or permitted to remain on any lot other than one (1) detached single family dwelling. Pool house or play house out-buildings may be permitted/approved in the discretion of the Quailridge Architectural Control Committee (hereafter referred to as the QRACC). Such out-building must be of a character and material consistent with the principal residence and the property. No other outbuildings will be permitted. If two or more adjacent lots have a common owner, then (subject to any applicable regulation or ordinance of the City of Centerton) the common lot line or lines of the lots may be considered to be removed and the lots considered as one for compliance. "Ground floor" shall mean heated and cooled living space on one level. The total heated living space of the main structure, exclusive of one-story porches and garages on one level, shall not be less than 2400 square feet. No garage may be enclosed unless replaced by an additional 2-car garage and approved by the QRACC.

C. In order to preserve, to the extent possible, the natural beauty of the property and its setting, to maintain a pleasant and desirable environment, to establish and preserve a harmonious design for the property and to protect and enhance the property, the Owner does hereby create the Quailridge Architectural Control Committee (QRACC). Said Committee shall approve the details of construction plans, including placement of the dwelling on the lot. The Developer shall perform the function of the QRACC until such time as 80% of the lots in the development have been sold at which time such duties shall be transferred to the Property Owners Association at which time a new QRACC will be formed by the QRPOA consisting of seven (7) persons who are resident homeowners in Quailridge. Terms for those so serving shall be staggered and members of the QRACC shall be elected at the annual meeting of the general QRPOA membership.

D. No building or improvement of any type shall be constructed, erected, placed or altered upon any lot or property within Quailridge and no grading shall be commenced until the building plans and specifications, plot plan, including placement of the improvement upon the lot, and construction schedule have been approved by the QRACC. Any modification to the exterior of any improvement in a manner not previously approved by the QRACC shall be submitted as provided above. c. The liens herein created or retained for unpaid assessments or dues to the Quailridge Property Owners Association are hereby made expressly inferior and subordinate to valid and bona fide mortgages and deeds of trust or retained vendor's liens securing obligations of owners of any of the lots in the addition up to the time of sale at foreclosure of any such mortgage, deed of trust or vendor's lien and for a period of six (6) months thereafter or until the residence upon such property is occupied, whichever date shall first occur, after which time

monthly membership dues shall thereafter accrue as a lien upon such lot in the identical form and manner as prior to the foreclosure sale of the property involved. 7. SEWAGE DISPOSAL.

All plumbed improvements in the development shall be connected to the Centerton municipal sewage disposal system.

8. EASEMENTS.

Utility easements are hereby created and reserved for a distance of ten (10) feet on either side of any property line. This easement shall include ingress and egress for the purpose of such construction and maintenance. An easement shall be established and reflected on the plat of Quailridge Subdivision for the construction and operation of a sewer pump station behind lots 68 and 69.

9. MAINTENANCE OF EASEMENTS.

Within the utility easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction or flow of drainage channels within the easements or which may obstruct or retard the flow of water through drainage channels within the easement. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which the Developer, a public authority, or utility company is responsible.

10. SIGHT DISTANCE AT INTERSECTIONS.

No fence, wall hedge, or shrub that obstructs a sight-line at elevation between two and one half (2 1/2) and seven and one half (7 1/2) feet for a total of ten (10) feet above roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the streets property lines. The same sight-lines limitation shall apply on any lot within ten (10) feet from the intersection of a street property line with edge of a driveway or alley. No tree shall be permitted to remain within such distance of such an intersection unless the foliage line is maintained at sufficient height to prevent obstruction of the sight-line.

All signs are prohibited upon the Properties, except as approved by the QRACC, and except:

- a. Signs erected by the City of Centerton or Developer for dedication of streets, traffic control and directional purposes;
- b. Signs of a temporary nature advertising property for sale and construction signs, which signs shall not exceed 9 square feet in area.

Such annexation shall be accomplished by recording a Declaration of Annexation in the Benton County Real Estate Records.

## 13. REMEDIES FOR DEFAULT IN OBSERVANCE OF COVENANTS.

If the owner or occupant of any lot fails to observe any covenant and if the default continues after ten (10) days written notice to the owner, then the Developer, their successors or assigns, may without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) the lot, remove or cause to be removed the garbage, trash, rubbish, or do any other things necessary for compliance with these restrictions, so as to place the lot in a neat, attractive and healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable costs of such work and associated materials and impose upon said property a lien for such costs if same remain unpaid for a period of thirty (30) days. The owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay the statement immediately upon request. ## 14. TERM AND AMENDMENT OF THE COVENANT.

These covenants shall run with the land. All persons or corporations who now own or shall hereafter acquire any of the lots in this property shall be deemed to have agreed and covenanted with the owners of all other lots in this property and with its or their heirs, successors and assigns to conform to and observe the restrictions, covenants and stipulations contained herein for a period of 25 years from the date these covenants are recorded, and these covenants shall thereafter automatically extend in effect for successive periods of 10 years unless prior to the end of the original term or any successive term of the application hereof a majority of the then owners of lots in the property agree to the amendment or removal of these covenants in whole or in part. These covenants may be amended at any time by instrument signed by the owners (including the Developer) of 75% of the platted lots within the Development. No

changes in these covenants in the manner herein set forth shall be valid unless the same shall be placed of record in the office of the Recorder of Benton County, Arkansas, duly executed and acknowledged by the requisite number of owners.

However, any amendment of these covenants for the purpose of reducing the minimum building size square footage as established in paragraph 2(B), above, shall first require the written approval and participation of the City of Centerton. No such waiver, termination and / or modification shall be effective until the proper instrument, in writing, shall be executed and recorded in the office of the Recorder for Benton County, Arkansas.

#### 15. RIGHT TO ENFORCE.

A. The covenants, agreements and restrictions herein set forth shall run with the title to the lots in this property and bind the present owners, their heirs, successors and assigns, future owners and their heirs, successors and assigns; and all parties claiming by, through or under them shall be taken to hold, agree and covenant with the owners of other lots in the property, their heirs, successors and assigns, and with Owners, as to the covenants and agreements herein set forth and contained. None shall be personally binding on any person, persons, or corporations except with respect to breaches committed during its, his or their holding of title to lots in the property. Any owner or owners of lots in this Property, or Owners, shall have the right to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of any of the covenants, agreements or restrictions contained herein together with any other rights to which they might otherwise be entitled under the laws of the State of Arkansas. The invalidation of any one of these covenants, restrictions or agreements herein contained by the order of a court of competent jurisdiction shall in no way affect any of the other provisions hereof which will remain in full force and effect.

B. The QRPOA has the right to enter any part of the Property, including lots, to abate or remove, using force as may be reasonably necessary, any erection, thing, animal, person, vehicle, or condition that violates the CCR. In exercising this right the QRPOA, it's Board and Officers, are not trespassing and are not liable for damages related to such abatement. The Board or Officers may levy the cost of abatement against the lot and it's Owner as an individual assessment. Unless an emergency situation exists in the good faith opinion of the Board or Officers, the Owner will be provided fifteen (15) days written notice of the intent of the Board or Officers to exercise this self-help remedy. The foregoing notwithstanding, the QRPOA may not demolish an item of substantial construction on a lot without judicial authorization.

#### 16. DEVELOPER'S REPRESENTATIONS & RESERVATIONS.
